*Past Symposium Chairperson

Dear Past Attendee:

Greetings from the Kansas City Estate Planning Symposium Committee! The 30th Estate Planning Symposium will be held on **May 5-6, 2011** at the Overland Park Convention Center. I have the honor of serving as the Chair of the Planning Committee this year. I am writing to you as a past attendee of the Symposium so that you can hold the dates on your calendar. Please join us for this excellent program.

We have already scheduled nationally known speakers **Charles D. "Skip" Fox IV, Eric Manterfield, S. Stacy Eastland, Samuel Donaldson, Steve Akers** and others. We are also pleased that **Dean Teng-Kee Tan** of the UMKC Henry W. Bloch School of Management will join us as our luncheon speaker on Friday, May 6. Check our web site at www.kceps.org for more information. If we have your email address, we will send you regular updates and reminders about the Symposium. If you want to receive our emails, please send your request to McCarrollD@umkc.edu. Finally, you can join the Kansas City Estate Planning Symposium group on "Linked In" at <http://www.linkedin.com/> to receive periodic updates about the program.

As a past attendee, you know that the KCEPS is the finest program and best bargain in this part of the country. At a time when everyone is trying to control costs and increase bottom line profits while maintaining the highest quality of services, the superior regional program offered by the KCEPS with expert speakers of this caliber is a very attractive opportunity to fulfill your continuing education requirements. By attending the Symposium, you will learn about cutting edge strategies and developments in estate planning. You will also have a unique opportunity to visit with other professionals from the estate planning community, including attorneys, accountants, financial planners, insurance professionals and trust and asset management service providers.

We are always looking for ways to increase participation in the Symposium. If you have suggestions as to how we can increase attendance, please let us know. We look forward to seeing you at the 2011 Symposium!

Sincerely yours,
